The image displays the Scribo writing assessment interface, which includes a student's work, feedback, and a teacher's dashboard. The interface is divided into several sections:

- Comment Section:** A sidebar on the left showing a comment from a student (A) asking for help on a sentence. The comment is dated 08/06/22 10:41. A response from the teacher (B) states: "Your sentence is a little too convoluted, try shortening it" (dated 08/06/22 10:49). A "Resolve" button is visible.
- Test 1 Section:** The main area showing the student's work. The test is titled "Test 1" and is marked "Handed In". It was last edited on 1 Jun, 2022. The student's score is 60. The work is divided into 18 paragraphs, 47 sentences, and 711 words. The text of the test is as follows:

Six hundred years ago the people of Southern China trained elephants and taught them to do many useful things. They worked for farmers and woodcutters, and helped make the roads twice a year; for an elephant could do many times more work than any other animal. So wise were the elephants that the people grew superstitious about them, believing they could see even into the heart of man.

A judge named Ko-Kia-Yong had an elephant that was trained to do this wonderful thing, so it was said. Three cases which were brought before him, were decided by a wise old elephant which he owned. And this is the way one of the decisions was made:

...and said that some robbers had ... night and had taken his gold and
- Feedback Section:** A sidebar on the right showing the student's feedback. The feedback is titled "Feedback" and is for student "Andrea". The Scribo Score (Auto) is 60. The feedback is broken down into five steps:
 - STEP 1: Improve Grammar & Spelling
 - STEP 2: Improve Vocabulary
 - STEP 3: Improve Topic Coverage
 - STEP 4: Improve Sentences
 - STEP 5: Explore Library
- Teacher Dashboard:** A sidebar on the left showing a list of students and their scores. The dashboard is divided into three sections: "Handed In", "In Progress", and "Not Started". The "Handed In" section shows the following data:

Student	Score
Andrea	60

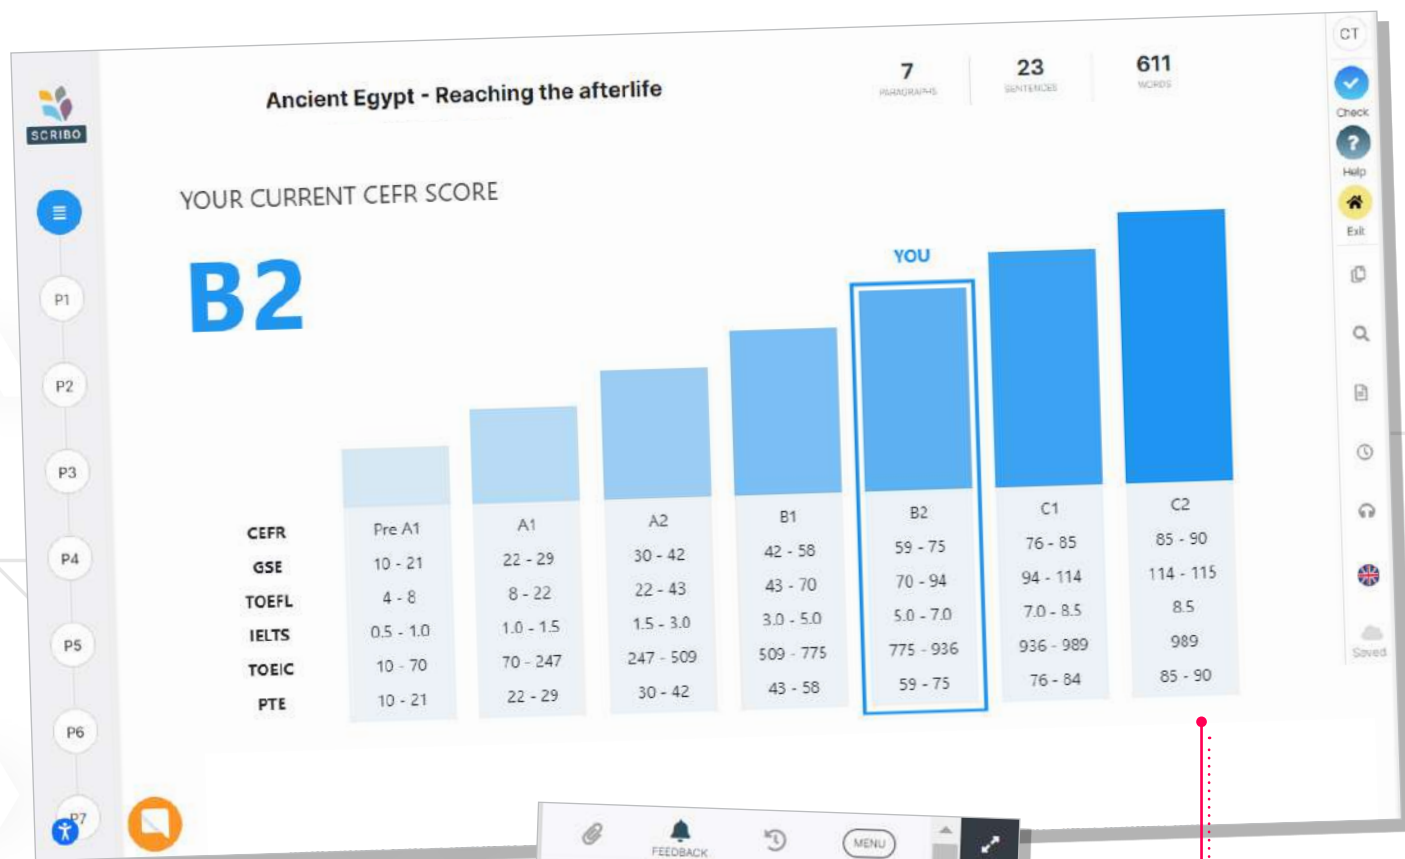

The "In Progress" section shows the following data:

Student	Score
Blake	70
Cecille	70
Jimmy	60
Kelvin	70
