2. Select a unit
(24 units / level)

3. Select a lesson
(3-6 lessons / level)

4. Select activities
(5-6 activities / lesson)

5. Play!

Teacher Dashboard Account

On a web browser (best used on a laptop):

a) **Visit:** <https://schools.studycat.com>

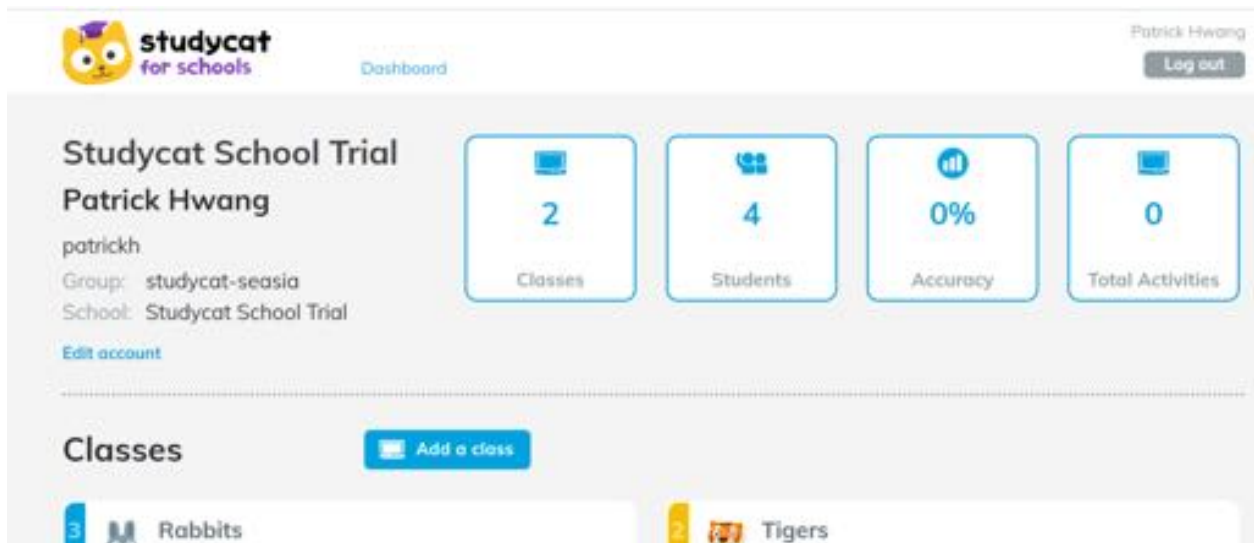

The screenshot shows the Studycat login page. At the top left is the Studycat logo, a yellow cat head with a purple graduation cap, followed by the text "studycat for schools". Below the logo is a "Login" form with two input fields: "Email" and "Password". A blue "Login" button is positioned below the password field. At the bottom of the form, there is a link that says "Forgot password?".

b) Insert account credentials (see page 2)

c) Explore the Dashboard

Note: Without existing students, classes or learning data, your account will be empty.

The screenshot shows the Studycat Teacher Dashboard for Patrick Hwang. The top left features the Studycat logo and the text "studycat for schools". The top right shows the user's name "Patrick Hwang" and a "Log out" button. The main content area is titled "Studycat School Trial" and "Patrick Hwang". Below the name, it shows the email "patrickh", the group "studycat-seasia", and the school "Studycat School Trial". There is an "Edit account" link. To the right of the user information are four summary cards: "Classes" with a value of 2, "Students" with a value of 4, "Accuracy" with a value of 0%, and "Total Activities" with a value of 0. Below these cards is a "Classes" section with an "Add a class" button. At the bottom, there are two class cards: "Rabbits" with 3 students and "Tigers" with 2 students.
