與PDF Markup彙整、串流重要資訊

A photograph showing a doctor in a white lab coat and a patient in a white lab coat looking at a tablet. The tablet displays a CT scan image of a human torso. The doctor's hand is on the left, and the patient's hand is on the right. The patient's hand has a blue bandage on the index finger and a gold ring on the ring finger. The background is a plain white surface.

你的行動裝置即是辦公室

A photograph of two young women in a server room. The woman on the left has long brown hair, is wearing a white t-shirt and a red backpack, and is holding a gold smartphone. The woman on the right has long black hair and is wearing a white and black striped sleeveless top. They are both smiling and looking at the phone. The background consists of rows of server racks with blue and yellow lights.

即時掌握重要資訊

A close-up photograph of a person's hands writing in a notebook on a conference table. The person is wearing a red top. In the background, other people in white shirts are seated around the table, and a microphone is visible. The scene is a professional meeting or conference.

使用註釋工具添加個人觀點

A person with blonde hair, wearing a light blue sweater, is sitting at a desk and looking at a laptop. The laptop screen is the central focus, displaying a webpage with a search bar, a list of items, and a sidebar. The person's hands are visible on the laptop's trackpad. The background is a blurred office or library setting with bookshelves.

擺脫書籤！重點摘要讓你更快找到所需的資訊！

探索新知、發現全球各地有趣的故事

A man in a white shirt and tie is sitting at a wooden table in a cafe, looking at a tablet. On the table, there is a white coffee cup on a saucer and a tall glass of beer. The background is a blurred cafe interior with plants and tables.

發揮極致的工作效率

A stylized bear silhouette is positioned on a rectangular pedestal. The bear is facing left and is rendered in a dark gray color. The pedestal is also dark gray and has a long, horizontal shadow cast to its right. The background consists of several concentric, light gray circles that create a sense of depth and focus on the central bear and pedestal.

# 重點註釋

在 PDF 文件和網頁上進行標註。

A sidebar of annotations is shown on the right side of the image. At the top, there is a red circle containing three horizontal lines, representing a menu icon. Below this, the sidebar has a header with "Summary" and "5 Annotations" and a share icon. The annotations are presented as colored boxes with text:

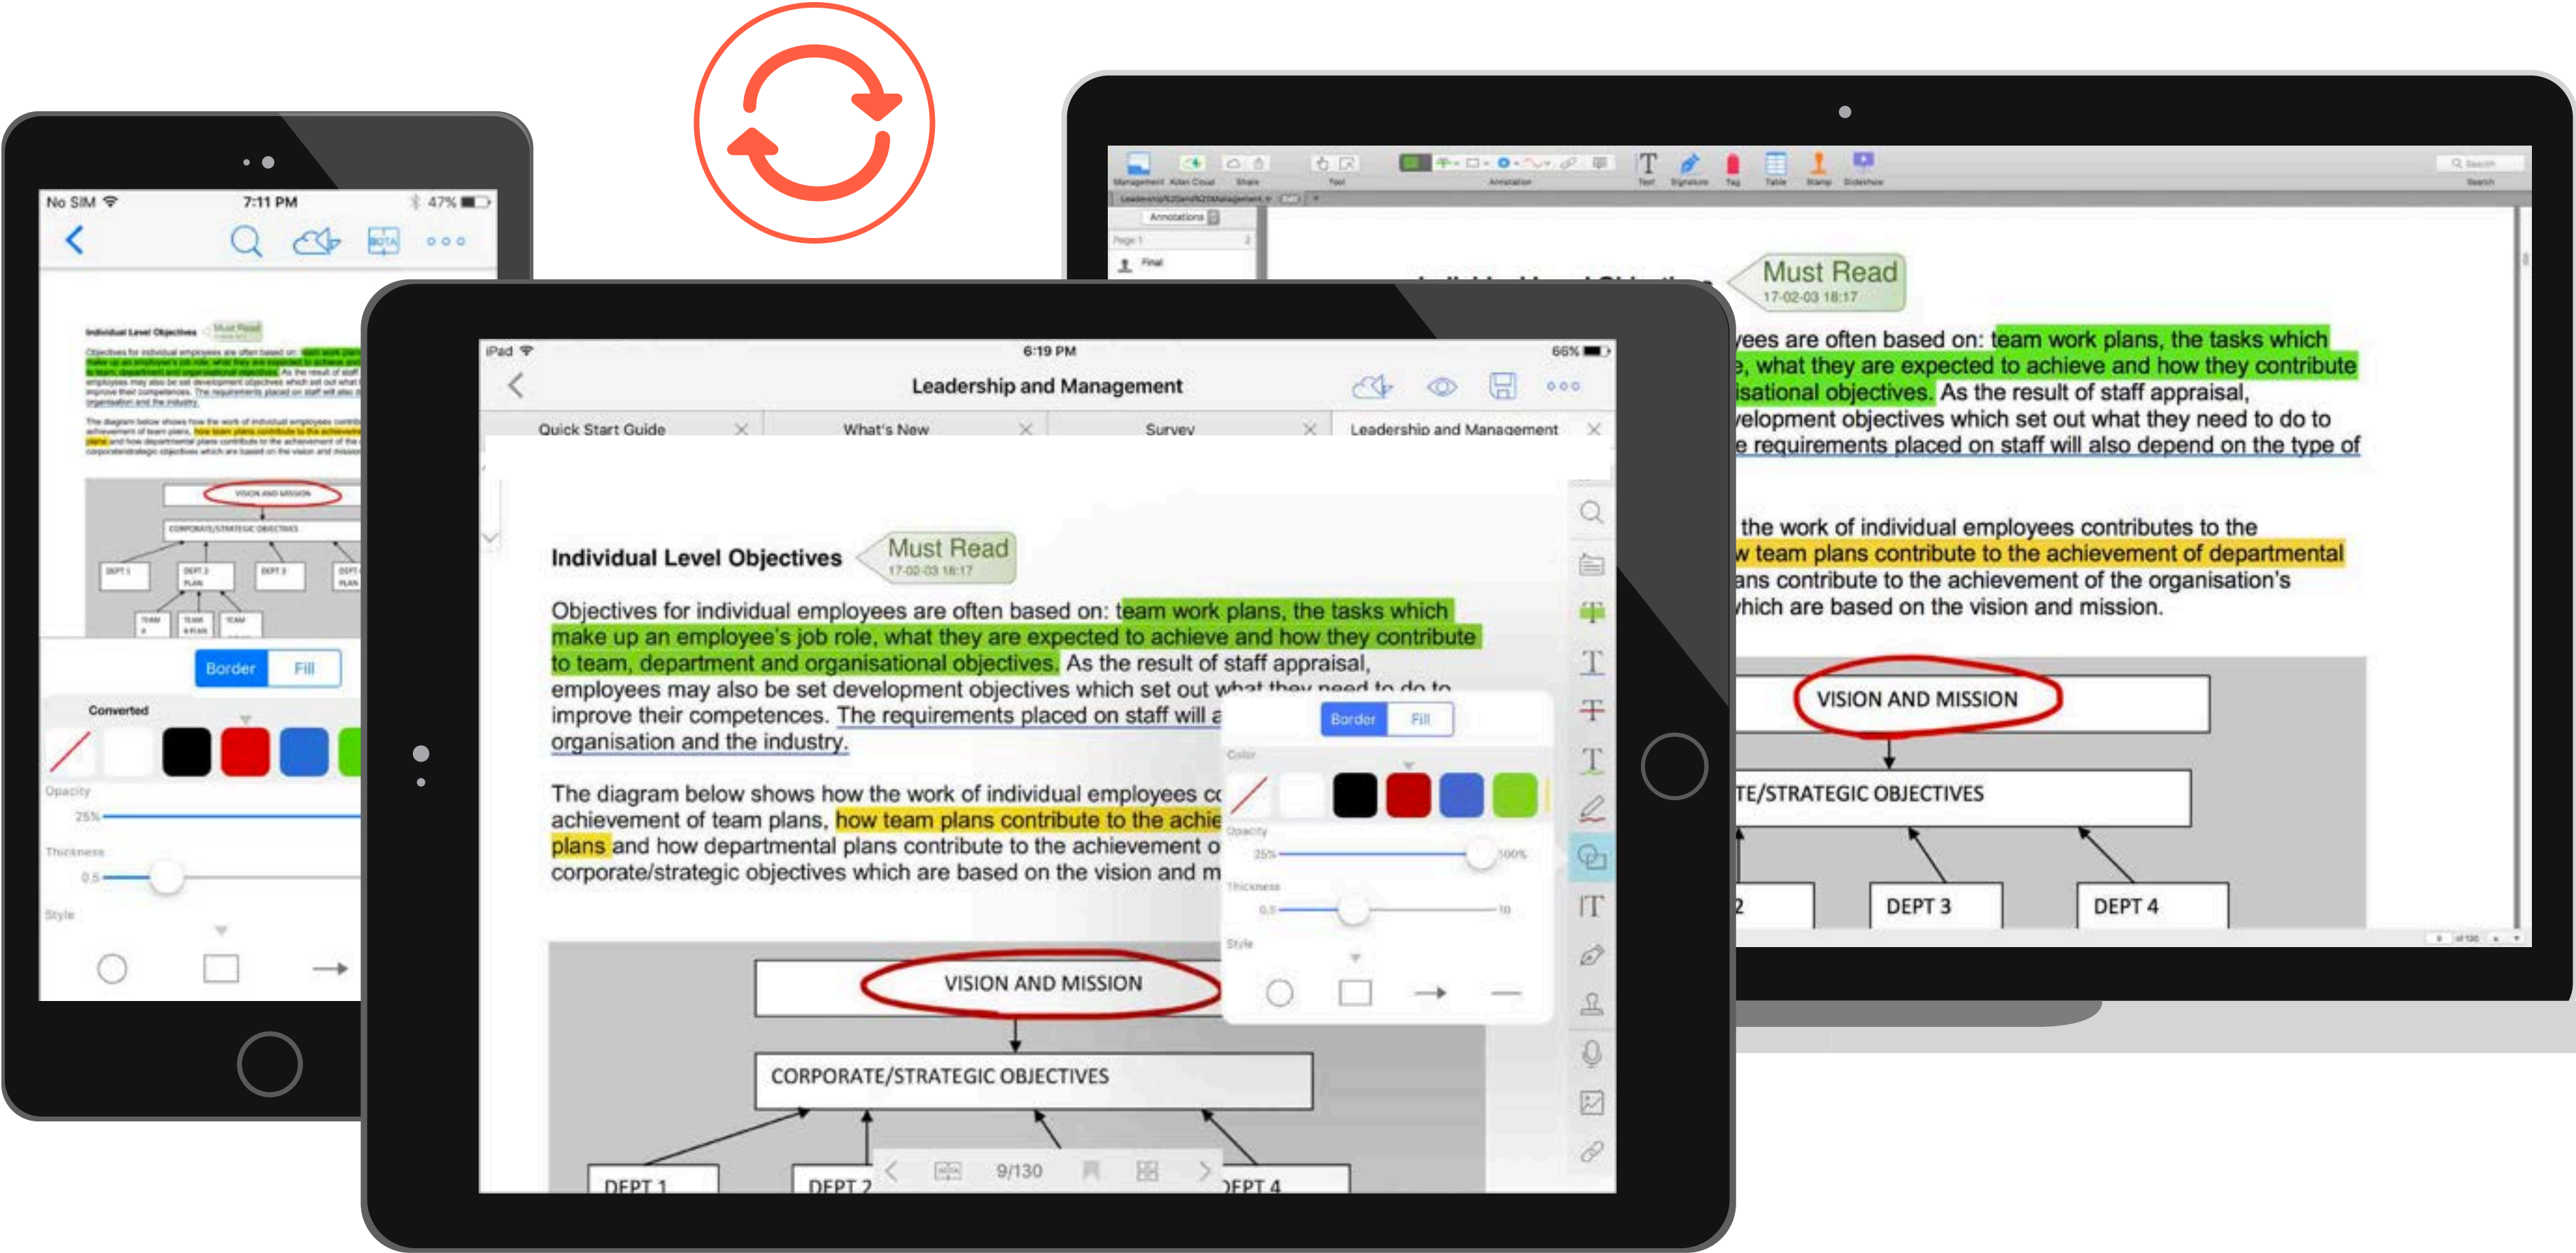

- Blue box: "OAS is not about cheaper alternatives to proprietary on-premise software. It is about creating new markets more so than displacing incumbents."
- Yellow box: "We call these Open Adoption Software (OAS) companies, and we believe they're primed to build meaningful businesses — and drive large economic outcomes"
- Yellow box: "it's tremendously important that these companies thoughtfully decide which parts of the product will be open and which parts won't. There is definitely a unique failure mode in which OAS companies go too open and fail to monetize sufficiently"
- Pink box: "Openness is a near truism in the Valley, but today projects like Hadoop, Cassandra, Docker and Mule are infiltrating even the most conservative and dogmatic organizations."
- Blue box: "There's a big shift happening in how enterprises buy and deploy software. In the last few years, open technology — software that is open to change and free to adopt —"

A large red arrow points from the annotations towards the tablet on the left.
