

## QUIZIZZ

The Teacher-Powered Interactive Learning Platform

## A platform loved by K-12 students and teachers

Engage every learner

Support every learning activity

Join a community of teacher creators

Analyze only the most meaningful data

## **Seamless Sitewide Implementation**

- Easy LMS integration and 1-Click auto-sync rostering
- Standards-aligned activities can be shared across your district
- Responsive support, live training and professional development
- Qualifies for ESSER, Title I and other funding

"Quizizz was the obvious choice for all our schools because teachers asked for it.

Quizizz fully aligned with our initiatives on student engagement and formative assessment, and comes with professional development."

Scott Staub K-12 Instructional Technology Coach Lakeland Central School District (NY)
