

RENAISSANCE

Master foundational literacy skills by grade 3

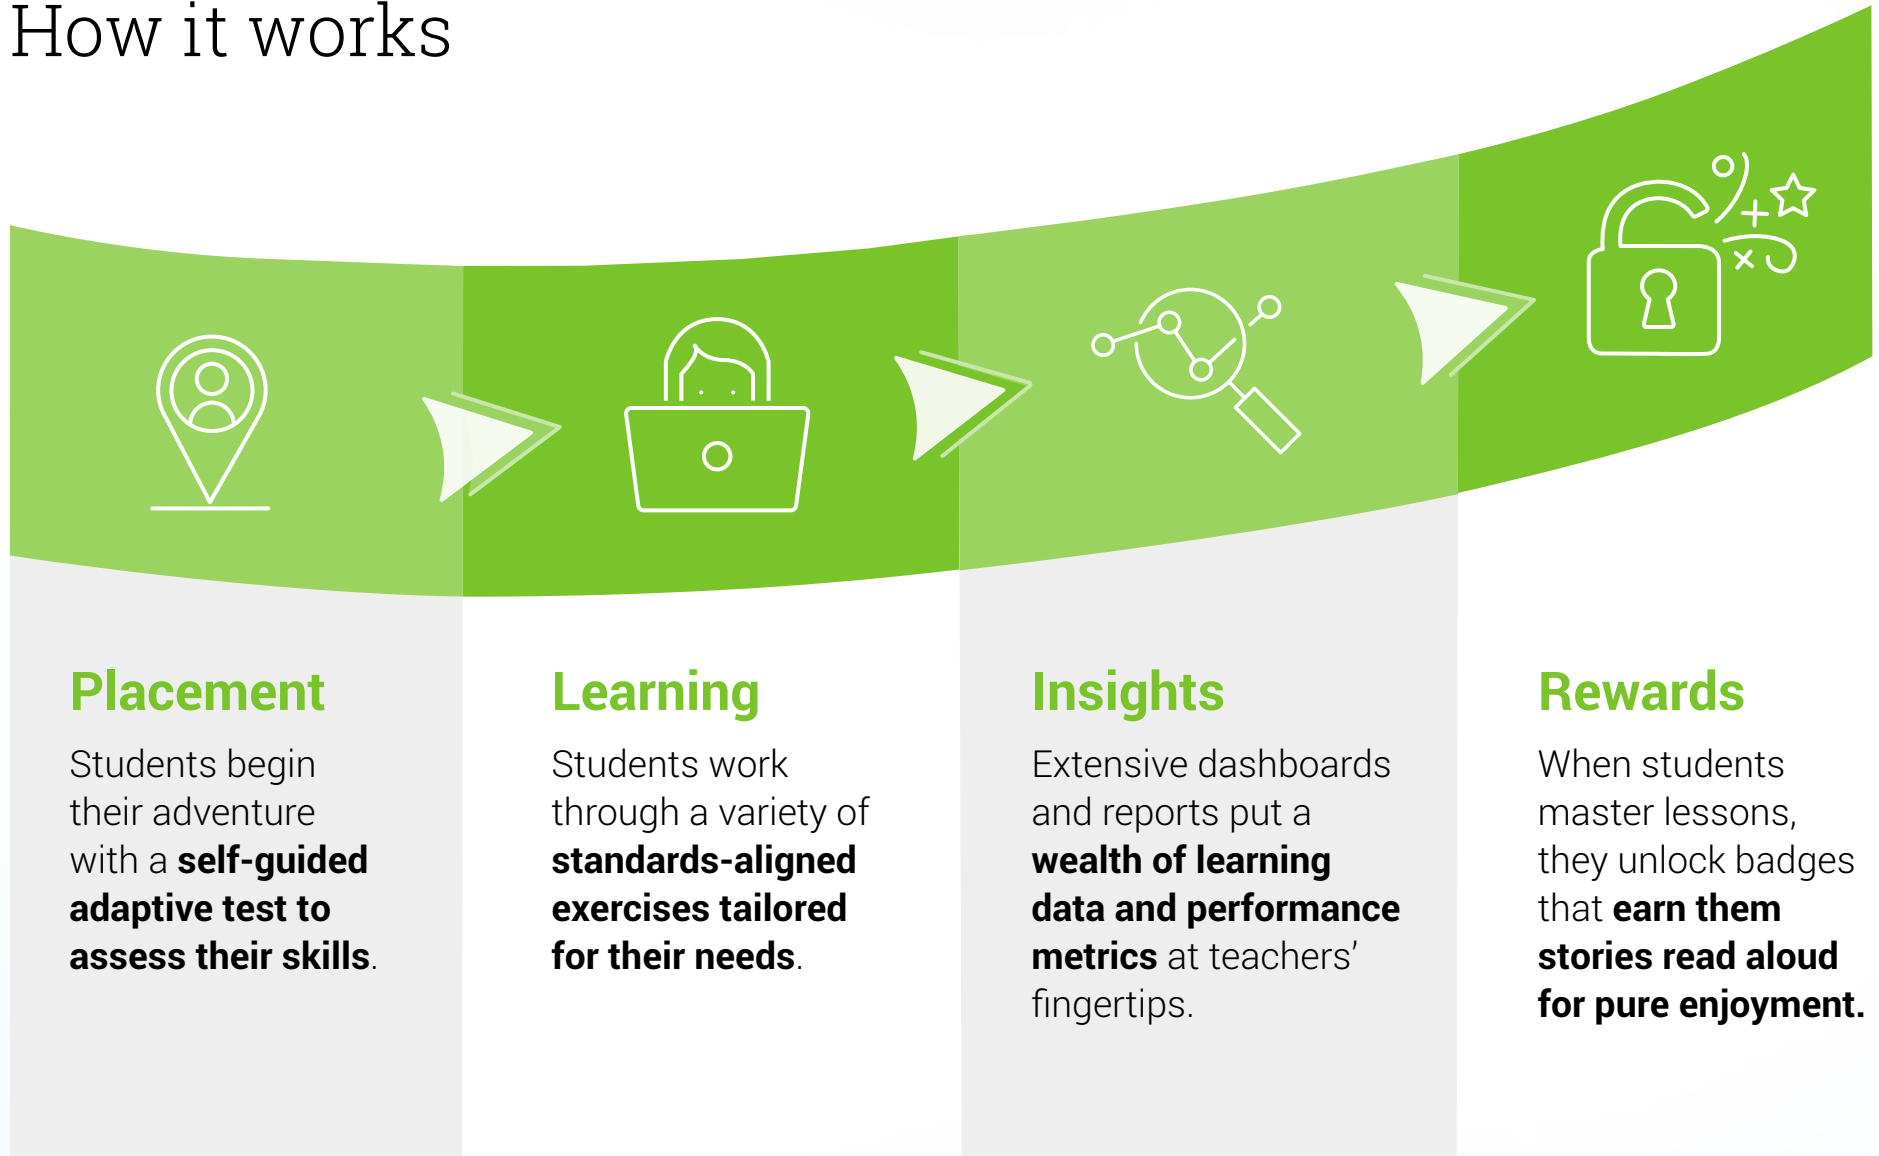

lailo

Build the foundational literacy skills of K–2 learners with engaging lessons that meet students where they are.

Differentiate your foundational literacy development

How it works

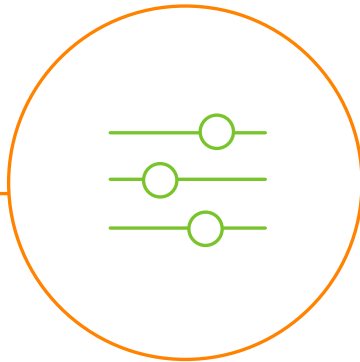

Make the rocket science of reading instruction fun for students

Engaging

Learners quickly and autonomously **explore new literacy concepts through fun, playful worlds** with intuitive design.

Personalized

Students work at their own pace and are given **adaptive exercises** on each component of foundational literacy.

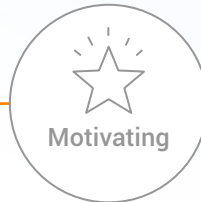

Insightful

Ensure all students become proficient readers by leveraging the **actionable data** on whole class and individual student progress.

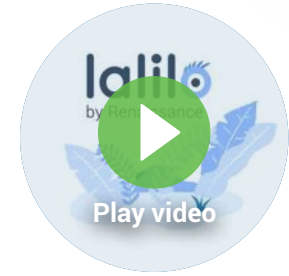

Motivating

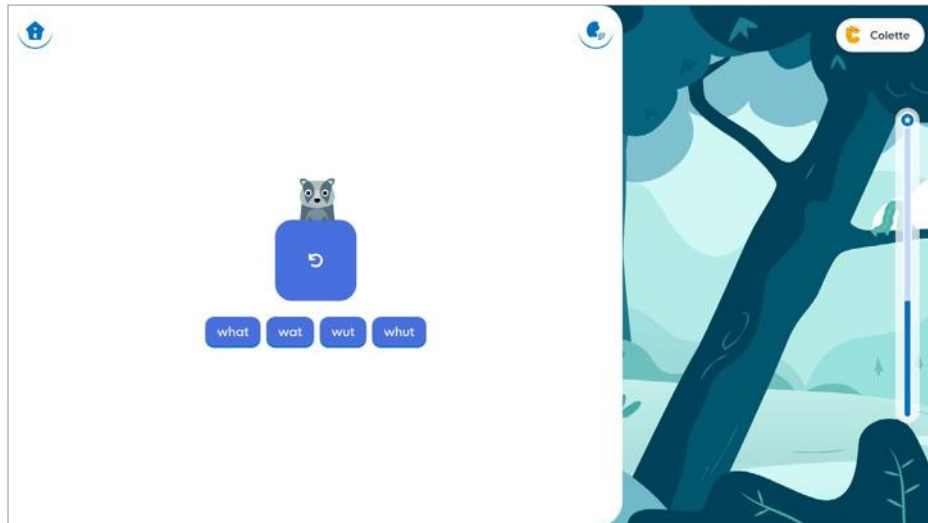

Foster a love of reading. Vocabulary-rich reward stories **encourage students to keep learning** and coming back for more.

Develop early literacy skills in playful, interactive worlds beloved by students

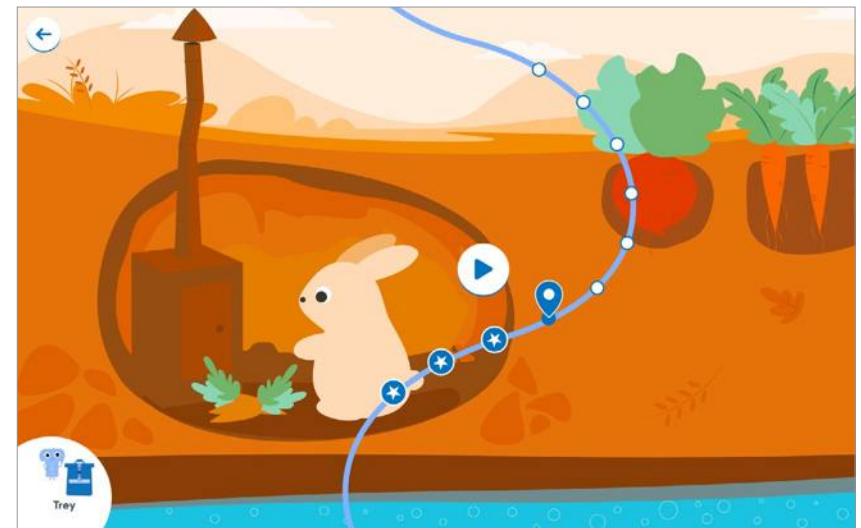

See Lalilo in action.

Innovative technology drives engagement

Lalilo adjusts each student's experience using artificial intelligence, speech recognition, and self-reflection to minimize frustration, keep students working within their zone of proximal development, and ensure they know the content before moving them on.

Give students ownership of their learning journey

Within Lalilo, students see the scope and sequence depicted along a pathway so that students can celebrate their progression through the skills.

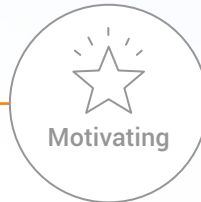

Engaging

Personalized

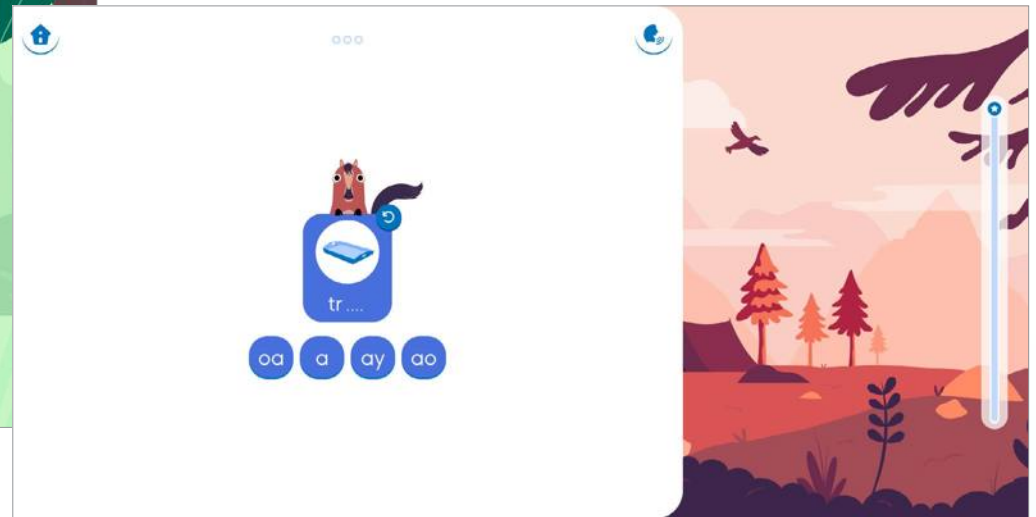

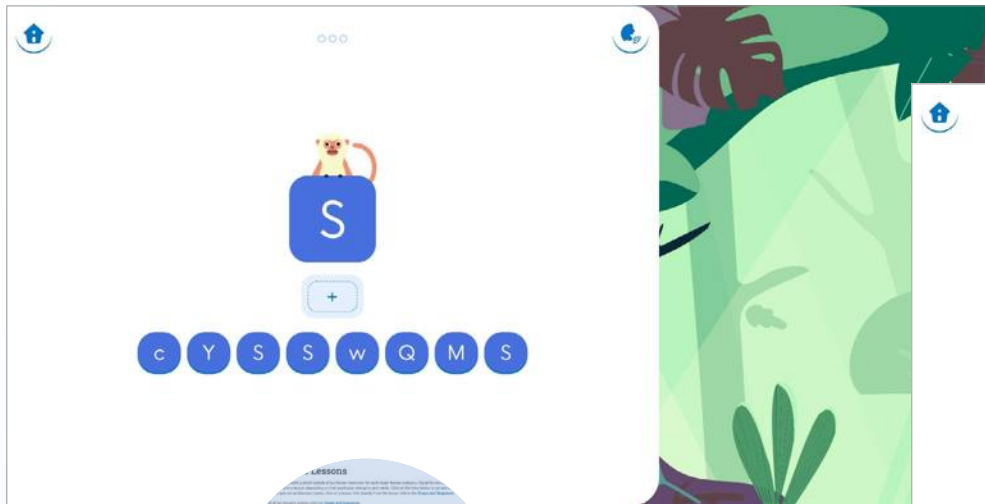

Insightful

Motivating

Systematic, explicit literacy instruction aligned to the Science of Reading and tailored to each student

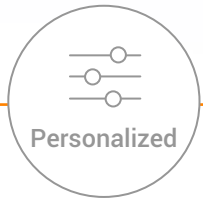

Students can work through a variety of adaptive exercises in phonemic awareness, letter recognition, letter-sound correspondence, blending, segmenting, decoding, fluency, and grammar and conventions, depending on their strengths and learning needs.

Insightful

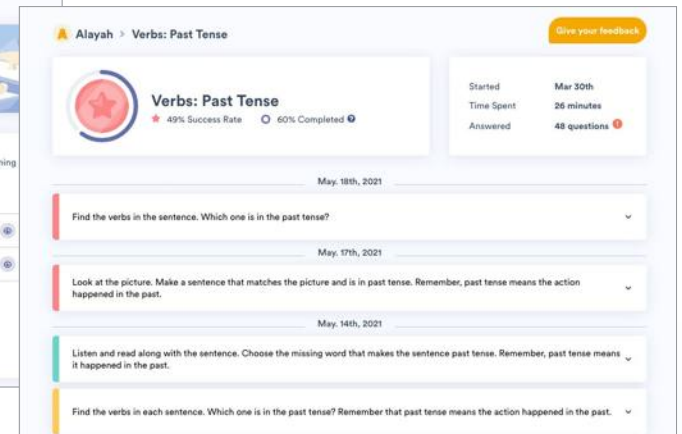

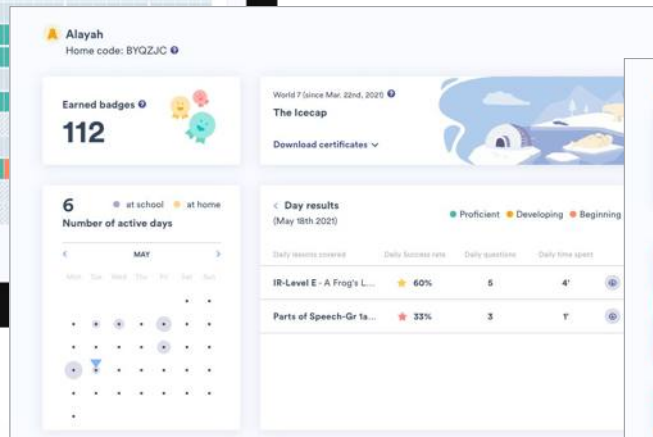

Motivating

Actionable data to ensure all students develop strong foundational literacy skills

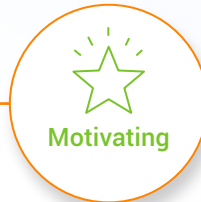

Track whole class progress at-a-glance

Powerful dashboards show how students are progressing and where they might need additional support.

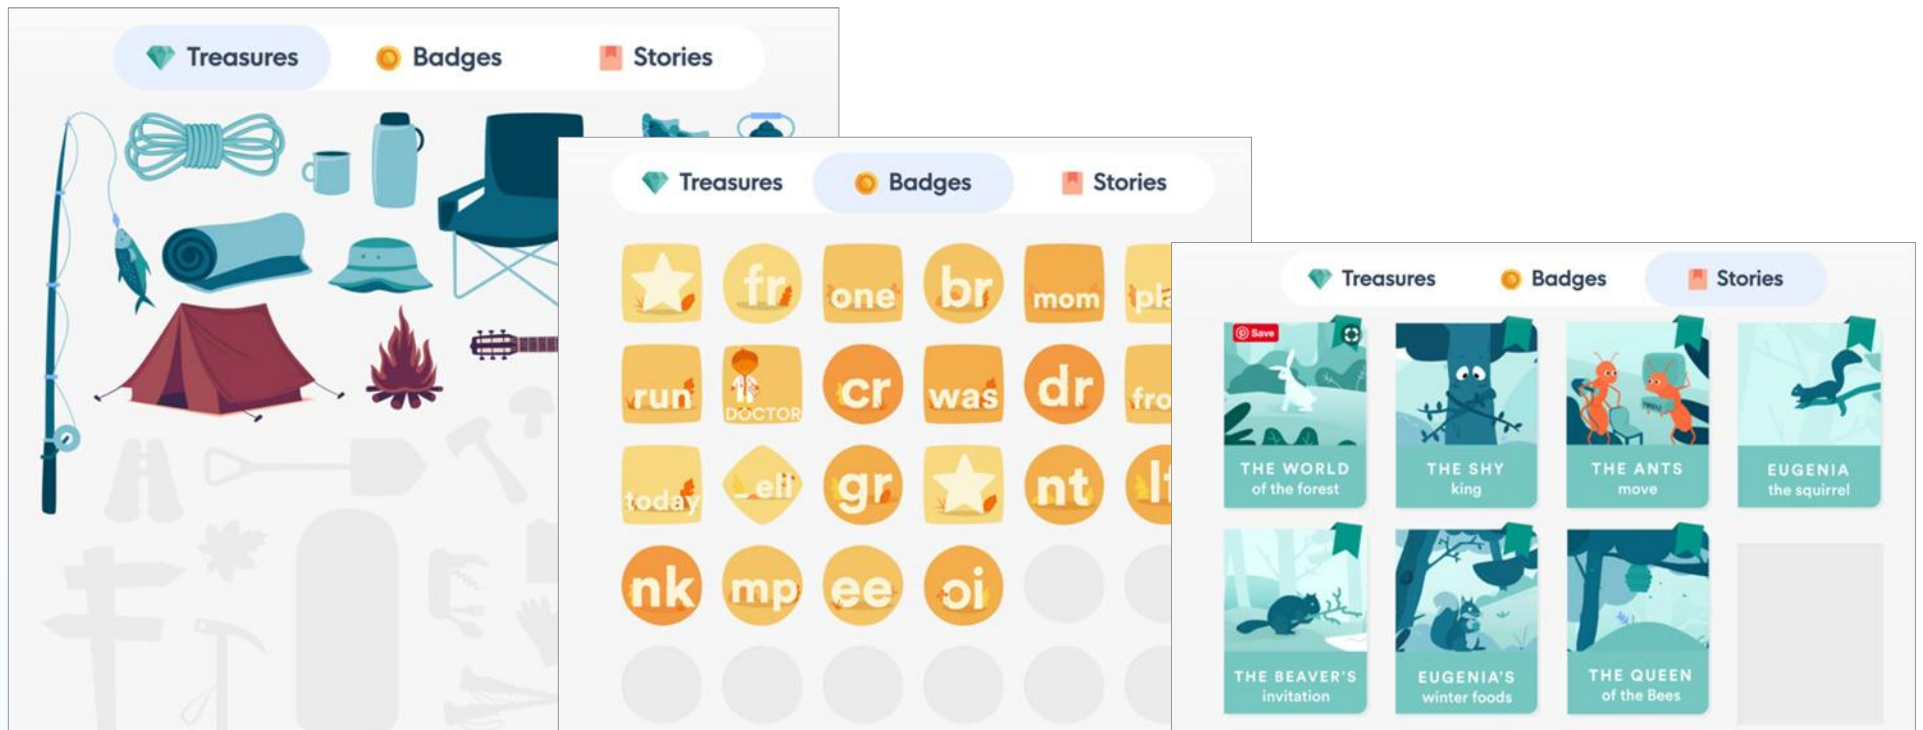

Monitor individual student progress

See detailed information on how students learn and practice on Lalilo, including individual questions and students' answers.

Get students excited and passionate about reading!

As students work through lessons, they'll progress through different worlds, earning badges, treasures, and stories. Listening and learning about their new animal friends keep them coming back for more.

Use Lalilo to drive instruction.

Assign any lesson on Lalilo to individuals, small groups, or the whole class.

Assignments

 Lessons marked with red or orange tiles in the dashboard will be reassigned to your students automatically. You do not need to assign them. Lalilo takes care of it for you! [LEARN MORE](#)

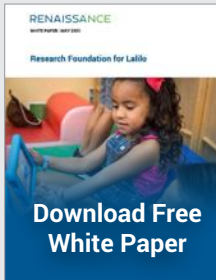

<input type="checkbox"/>	Assignment	Component of reading	Students	Completion	
<input type="checkbox"/>	Short and Long A Vowel Sounds	Phonology/Phonics/Spelling	5	<div style="width: 100%;"><div style="width: 100%;"></div></div> 100%	02/08/2021
<input type="checkbox"/>	Short and Long E Vowel Sounds	Phonology/Phonics/Spelling	5	<div style="width: 100%;"><div style="width: 100%;"></div></div> 100%	02/08/2021

STUDENT -	SUCCESS RATE	ERRORS
Alayah	22%	Errors
Hawa	27%	Errors
Joselyn	44%	Errors
Joshua	89%	Errors
Nasya	97%	Errors

Use the assignment feature to have students review a lesson they have already mastered, or to target skills and content being taught in the classroom simultaneously. Once all assignments are finished, students return to the automatic progression.

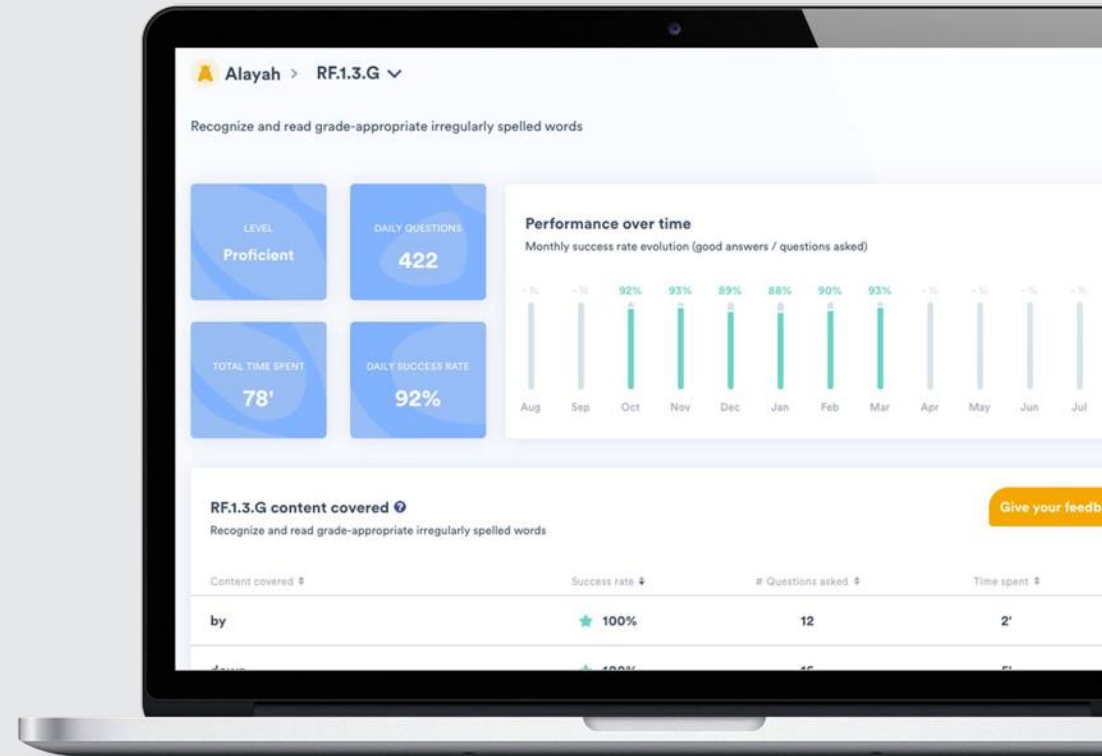

Research-based. Standards-aligned.

Track student performance based on foundational reading standards. See proficiency scores, the amount of time a student has spent working on each standard, and the number of questions they have answered for that standard, filtered by grade level.

White Paper: Research Foundation for Lalilo

Lalilo is built on Science of Reading research and makes foundational reading development fun for K–2 learners.
