ETS® TOEIC Bridge®

The Official Learning and Preparation Course for the
TOEIC Bridge® Listening and Reading Tests

Helping Beginning English-language Learners Improve Their Communication Skills

Created by the TOEIC® program, the Official Learning and Preparation Course for the TOEIC Bridge® Listening and Reading Tests is an online course designed to help English-language learners at beginner to low-intermediate levels build and improve their English-language communication skills while also preparing them to take the TOEIC Bridge Listening and Reading tests.

The convenient, self-paced and comprehensive course includes:

- 8 topic-based, skill-building units

- engaging and effective activities and practice questions

- 2 full-length, authentic TOEIC Bridge Listening and Reading practice tests with answer keys that include rationales

- additional study aid materials, including an English grammar book

To learn more about the Official Learning and Preparation Course for the TOEIC Bridge® Listening and Reading Tests, contact your local ETS Preferred Network office. Visit **toeicglobal.com/contact** for details.

— THE TOEIC PROGRAM —

For more than 40 years as an industry leader, the TOEIC program has set the global standard for assessing English-language communication skills needed in the workplace and everyday life. The TOEIC tests are the most widely used English-language assessments around the world with 14,000+ organizations across more than 160 countries trusting TOEIC scores to inform the decisions that matter.
