ADDITIONAL DIGITAL RESOURCES

Add to your core database subscription

TIMELINES

.....

Hundreds of pre-generated timelines across eight broad topics cover various historical time periods or span the life of historical figures. Can be used as-is, customized, or built from scratch.

ACTIVITY CORNER

.....

Thousands of cost-effective, hands-on activities with easy, clear instructions, photographs, and illustrations. Easily searchable by standard to supplement the curriculum. Every activity contains a list of materials and can be printed, emailed, or saved to a computer.

DRAMATIC LEARNING

.....

Collection of 42 popular plays with everything needed to put on a production, along with tools for classroom instruction, library programming, and distance learning. Lesson plans and extended learning pieces focus on helping students become more fluent readers, understand core concepts, and internalize content.
